## Governor Cuomo To Deliver Sherr Lecture April 30

Governor Mario M. Cuomo

Governor Mario M. Cuomo, Governor of the State of New York, will deliver the annual Sherr Lecture at Park Avenue Synagogue on Thursday, April 30 at 8 p.m. The topic of his lecture will be "Religion and State."

Governor Cuomo is now in his second term of office as Governor of the State of New York. He was elected to a second term by the highest victory margin in the history of the state's gubernatorial elections. He gained national attention when he delivered the keynote address at the 1984 Democratic Convention. Also in that same year he delivered a speech at the University of Notre Dame on Church-State relations which attracted wide interest.

Governor Cuomo has written two books, both published by Random House: *Forest Hills Diary—The Crisis of Low Income Housing* (1974) based upon his involvement in the resolution of the Forest Hills housing controversy and *Diaries of Mario M. Cuomo* (1984) which details his race for governor in 1982.

A native New Yorker, he attended public schools in the Borough of Queens, graduated from St. John's University *summa cum laude* and tied for top honors at the St. John's University School of Law. He clerked for a New York State Court of Appeals judge upon graduation from Law School and subsequently entered private practice while continuing to teach at the law school.

Governor Carey appointed him Secretary of State in 1975 and in 1978 he was elected Lieutenant Governor.

Governor Cuomo and his wife, Matilda, are the parents of five children and the grandparents

## Congregation Honors Rabbi and Mrs. Nadich At Dinner Dance at Hotel Pierre May 17

Rabbi and Mrs. Judah Nadich

The congregation will honor Rabbi and Mrs. Judah Nadich upon his forthcoming retirement after 30 years in the pulpit of Park Avenue Synagogue at a dinner dance at the Hotel Pierre on Sunday, May 17, beginning at 6 p.m.

Formal invitations to this gala event will be mailed to the congregation. This is an evening planned to be a sheer delight for all who are present.

Phyllis Siegel, a vice president of the synagogue, is the chairperson of the evening and heads a large and enthusiastic committee.

## Food Pantry Project Honored At Shabbat Service

During Shabbat services on Shabbat Hol ha-Moed Passover (Saturday, April 18), the congregation will honor the Food Pantry for its distinctive and distinguished service rendered to the hungry poor of our neighborhood.

The High School students view the Food Pantry Shabbat as an opportunity to help cement a bond between the Food Pantry project and the congregation which continues its support of it. Students will read from the Torah and Haftarah and the co-chairs of the Food Pantry, Micah Goodman and Becky Roiphe, will speak to the congregation about the Food Pantry project.

It is fitting that the congregation honor the Food Pantry on this particular Shabbat, coming as it does in the week of Passover, because of the symbolic meaning of the festival. At what better time can we reevaluate our commitment and strengthen our resolve to meet the needs of the hungry poor of our neighborhood.

Let us show our support for the efforts of our High School students by being in the congregation on Shabbat morning, April 18.

The service begins at 9:15 a.m.

## More Bears Added To Hammel Collection

Two years ago, Dr. and Mrs. Leslie Hammel presented to the children of Park Avenue Synagogue a wonderful collection of bears and housed the collection in a custom built cabinet on the Fifth Floor, next to the Early Childhood Center office.

To the more than two hundred bears in this unique collection are now added three more bears collected by the Hammels in the course of their travels: a porcelain bear from Hungary, a soapstone bear from Alaska carved by the artist Bruce Brisson, and a copy of a polar bear carved by Francois Pompon which is in the Metropolitan Museum of Art.

The congregation thanks Dr. and Mrs. Hammel for this gift which continues to delight all who see it, children and adults alike.

The Hammels also established the Ketzacko Library Fund, the purpose of which is to purchase new books and materials for all ages for use in the Rothschild Library. ("ketzacko" means "two bears" in Hungarian.) Members of the congregation are benefiting from this Fund and the congregation thanks the Hammels for their generosity.

Let One Who Is Hungry  
Enter and Eat

This year, as for centuries past, Jews everywhere will begin their Passover seder with the words, "Let all who are hungry enter and eat."

As never before, we now know how many are hungry, here at home, in our own communities, and around the world.

The poor are not helped by our rhetoric, no matter how compelling.

And so, this Passover, a fifth question: Can we transform our words of welcome into a collective act of loving-kindness?

The answer is that we can — by our support of MAZON, the national Jewish response to hunger. Organized in the Fall of 1985, MAZON (a Hebrew word which means *food*) encourages Jews everywhere to add a three percent surcharge to the cost of their celebrations, their *simchas* — bar and bat mitzvah parties, weddings, reunions, whatever. Thousands of people have already enhanced the joy of their own celebrations by this modest gesture. And with the dollars thus raised, MAZON has already helped a soup kitchen in Dallas, an agricultural training project in Sri Lanka, a Meals-on-Wheels program in New York, a food pantry program in Indianapolis and scores of other worthy projects around the country and around the world.

That's what we do. That's what Jews do. We are *rachmanim b'nei rachmanim*, the compassionate children of compassionate parents.

The above words are from the March, 1987 issue of *Moment*, an excellent magazine. I urge our members and friends to take these words to heart. When next you celebrate a *simcha*, send 3% of the cost of the party to MAZON, 2288 Westwood Blvd., Suite 200, Los Angeles, CA 90064, and your *simcha* will be all that more joyous.

May you have many *simchas*!

Have a happy Pesah!!

—Judah Nadich

# IN CELEBRATION OF PASSOVER

## Funds for Ma'ot Hittin

IT IS AN ANCIENT TRADITION among our people to help our less fortunate fellow Jews celebrate Passover by contributing funds for Ma'ot Hittin, literally "money for wheat"—the wheat used for making matzah.

Each year our Passover Fund distributes thousands of dollars through the Joint Passover Association of the City of New York and through the New York Board of Rabbis. The need is great as the numbers of Jewish poor in Greater New York continue to increase at an alarming rate.

If you have not as yet done so and wish to, please send your contribution to the *Park Avenue Synagogue Welfare Fund* and designate it for the Passover Fund. Let your heart dictate the amount.

## The Sharing Committee

THERE ARE MEMBERS of our congregation who would like to share the joy and the warmth of their family seder with members of the congregation who would otherwise spend the holiday alone. The Sharing Committee would like to bring you together. Please call the Synagogue Office, 369-2600, or Susan Lerner, 734-1732, or Barbara Stevenson, 861-1699, by Tuesday, April 7 and declare whether you wish to be a host(ess) or an invitee. ## At Home

### Forbidden Foods

CERTAIN FOODS CAN NOT BE EATEN on Passover. They include those foods prepared from five species of grain: wheat, barley, oats, spelt and rye which has been allowed to leaven. Any food containing even a minute amount of this leavened grain is forbidden on Passover. In addition, rice, millet, corn, peas and beans have been added to the list of prohibited foods by the rabbis.

Therefore, bread, cake, cookies and crackers are prohibited, as well as cereals made from these grains. Alcoholic beverages, including wines, are forbidden as well, unless they are certified Kosher for Passover. Since all mixtures of leavened or fermented grains are prohibited, foods such as candies and soft drinks must contain a Kosher for Passover certification to be used on Passover. Commercially produced cakes, cookies and mixes which are certified Kosher for Passover by rabbinical authority are permitted.

### Permitted Foods

PERMITTED WITHOUT a Kosher for Passover label are: fruits and vegetables (except those mentioned above) in both their natural and frozen state, string beans, coffee, tea, sugar, salt, pepper and garlic provided no other ingredient has been added to them.

### Dishes and Utensils

ONLY DISHES AND UTENSILS SPECIALLY RESERVED for Passover should be used. It is possible to kosher utensils made wholly of metal and which are used during the year by thoroughly scouring them, allowing them to stand unused for 24 hours and then immersing them in boiling water. All table glassware is permitted after thorough scouring.

Pot and pans made wholly of metal which are used for cooking (*not for baking*) may be koshered by being washed thoroughly, waiting 24 hours and then immersing them in boiling water. Vessels made wholly of metal, but used for broiling, may be koshered by scouring and then heating them until they are red hot.

All utensils used for baking during the year *cannot* be used for Passover. Earthenware, enamelware and porcelain utensils used during the year may not be used during Passover.
